About Our Gym

June Bug's Gym is a place where your child can experience a fun-filled adventure in movement. We have a caring, respectful, and supportive staff that encourages every child to grow their large motor skills with gymnastics and to expand their social, emotional, and cognitive development. Our goals for students are to help them feel control and empowerment in their bodies, to build self-esteem through success, to open up imaginations, and to feel confidence and joy in their exploration of movement. We strive to provide a sanctuary where children and families can experience motion in a safe, caring, compassionate, and educational environment.

Our Classes

Our gym is for children crawling through 8 years (or under 80 lbs). Children are exposed to a wide variety of movement in every class. Each class is designed with age-appropriate activities to help children achieve a sense of confidence. Classes include circle-time, movement to music, the use of scarves, and play with parachutes. The core of class includes a range of obstacle courses which challenge students to work through gymnastic skills using various shaped mats, bars, rings, balance beam, trampoline, vault, rope, foam pit and more! Fun and imaginative play is encouraged as well as attention to proper skill development.

Parents or caregivers participate in all age 2 1/2 and under classes. These classes for younger students provide flexible class environments with freedom for parents and children to explore and enjoy movement individually. Parents may choose from 1 to 5 days per week for maximum flexibility and our student/teacher ratio remains small to ensure personal attention and safety.

Classes are offered both mornings and afternoons and are 45 minutes unless otherwise indicated. Children should be dressed in appropriate gymnastics attire (no belts, dresses, jeans, jewelry, etc.).

MAKE UP CLASSES?

Whether your child misses one class or multiple classes in a given month, we allow 1 make up token per month.

PARENTS PLEASE NOTE!

Class sizes are limited. To ensure proper staffing and compliance with current health standards please pre-register for classes. We require all families to make an account on our new **iClassPro Member Portal**. You may access this portal through our website junebugsgym.com from our home page. All existing members should click the "Go To Portal" link and then click "Forgot Password". This will ensure your current enrollment information is preserved and your account is linked to the email we have on file. Enter your payment information and select **Auto Pay**. Your monthly tuition will be billed on the 5th and charged on the 10th of each month. Please call our office if you have any questions or concerns. Thank you in advance for adopting our new system. This new system will help us to serve all of our families better. You may review our all of our gym policies on our website or through our new iClassPro Members Portal. Thank you!—JBG staff

Class Descriptions

INCHWORMS CRAWLING – EARLY WALKERS

Explore the world of early motor skill development and support visual and auditory development through ramps, rocker balls, parachute play, music, and more.

CATERPILLARS TODDLERS WALKING – 2.5 YEARS

Parent/caregiver participation is required in this class. Caterpillars is designed to incorporate the beginning fundamentals for physical fitness and motor skill development for children from walking through 2 1/2 years of age. Children have fun and build confidence.

ROLY-POLYS TODDLERS 2.5 – 3.5 YEARS

Children continue to explore movement and begin to feel comfortable separating and venturing out on their own. Roly-poly classes are designed to encourage group activity as well as individual participation. Classes provide a semi-structured environment with a consistent class routine where children begin to acquire listening and social skills.

CRICKETS TODDLERS/PRESCHOOLERS 3 – 4 YEARS

Preschoolers begin to participate in specialized activities that are geared toward building strength, flexibility and individual apparatus skills in gymnastics. Students develop emotional independence and self-esteem through movement.

GRASSHOPPERS PRESCHOOLERS 4 – 6 YEARS (BEGINNER)

This exciting class combines strength, flexibility and upper body development with coordination and agility. Children learn how to deal with the physical, mental, emotional and social aspects of childhood in a playful, creative, and stimulating environment.

DRAGONFLIES CHILDREN 6 – 8 YEARS (BEGINNER-INTERMEDIATE)

This class is designed for the young child to develop confidence and master basic skills in beam, bars, tumbling and trampoline. We work on skills that develop strength, coordination and flexibility—all while having fun!

FIREFLIES CHILDREN 6 – 8 YEARS (INTERMEDIATE)

Fireflies classes build a strong foundation for your child to develop a sense of athletic achievement, self-esteem, and social skills that will last a lifetime. In this class there is a stronger focus on form as well as growth in furthering skill development.

JITTERBUGS CHILDREN 5 – 9 YEARS BY INVITATION (ADVANCED)

This invitational class is for advanced students working towards pre-competition gymnastics skills.

Private Lessons are available by request and teacher availability.
